

Position Statement - 2017 INCOSE CMC

Administration Officer Nomination – RJ Shaw

I have served on the CMC as the Administration Officer for the past 2 years. I am responsible for the day to day administration tasks of INCOSE SA. Tasks include scheduling of CMC Meetings, compiling of minutes and record keeping of all communications and material for reference during reporting to INCOSE Central. If elected and appointed as Administration Officer, I plan to further develop the record keeping system for ease of use.

I will strive to provide my full support the new President and President Elect during 2017 and assist the organisation with administration tasks as bestowed upon me.

I will continue to attend to the duties of Administration Officer and as member of the CMC strive to ensure that the goals as planned for INCOSE SA Chapter be achieved.

Richard Shaw
Administration Officer

Richard Shaw, CSEP

Richard joined the SANDF in 1977 and received training as an Army Field Engineer (Civil Engineering Background). He completed the SA Army Senior Command and Staff course in 1995 as well as several short courses on Logistics and System Engineering. He established a Logistic and System Engineering consultancy in 1998 and has been involved with several defence projects within the industry and Armscor as Systems and Logistical engineer. Richard is CSEP certified and served with INCOSESA as Admin Officer for the Past 2 years.
